

Owner: City of Abbotsford
Location: Morris Valley Road Crossing of Chehalis River, Harrison Mills, British Columbia
Coordinates: 49°05'22"N, 122°20'03"W
Market: Structural Repairs
Start / Completion Dates: May 2010
Contract Value: CDN \$24,000

**Project Description:**

Following the failure of the bridge deck, this busy creek crossing had to be closed to traffic.

Scope of works included; removal of the existing asphalt running surface, plank decking, and an old water-level measurement station.

Corporate Role:

As General Contractor, Coquitlam Ridge Constructors implemented an environmental protection plan to ensure debris from demolition did not enter the creek, followed by removal and replacement of the existing decking.

Project Reference: Engineering Dept. – City of Abbotsford – 604.864.5514
